

TASERA

Scheduling Software IV

Already existing web app for scheduling supervisions and opening hours of the shooting range.

Our team improved the codebase to be more maintainable and added missing features such as automatic supervisor assigning, UI improvements and CI/CD pipeline for more streamlined future development.

Project manager: Patric Kangasmäki
Senior developers: Henri Laakso, Johannes Haapakoski, Sauli Nevalainen
Junior developers: Iida Kainu, Lauri Rautiala
Coach: Pekka Mäkiäho
